"Waiting"

(feat. Chris Brown)

Zone 4

Yeah

Let's go

I'll be swimming in women
And I'd be diggin and living
And I'll be whippin the whips that cha never seen now
Well the quip is just whip it
And make it pur like a kitten
And I'm a have you addict-ted to me now
And all the fast girls wanna get money (Yup)
Baby girl you ain't getting none from me
All you get is this
Make it bounce like a bunny
Come on
T-t-tricks are for kids
But 'cha feel it in your ribs
Like

Wait (wait a minute mother fucker)
Wait wait wait wait (wait a minute mother fucker)
Wait wait wait wait (wait a minute mother fucker)
Wait wait wait wait (wait a minute mother fucker)
Wait wait wait
(Breezy)

[Verse 1: Chris Brown]

Girl I wanna make ya sing like opera
Gotta cold headed dose I'm your doctor
Pink house like a copper
Man I got the chopper
Lion king in that thing mufasa

You may wanna take a bite right outta me
Girl I think your ready
Oh damn
You want me to do something
Yes ma'am

I just wanna get a little
Give a little
Take a little
Make a little love all over my place
Baby girl you got a bottom
I can spot it from a mile
And I be wildin out then I push you off the Trey (Yuuup!)
Girl I'm right in front of you
Wanna be right up under you
Kissin under your belly button for about a month or two
You gon' love it when I look in your eyes
I'm hitting high now

I be swimming in women
And I be digging and living
And I be whippin up whips that you never seen now
Well the quip is just whip it
And make it pur like a kitten
And I'm a have you addict-ted to me now
And all the fast girls wanna get money
Baby girl you ain't getting none from me
All you get is this
Make it bounce like a bunny
T-t-t-tricks are for kids
But you feel it in your ribs like

Wait wait wait wait (wait a minute mother fucker)
Wait wait wait wait (wait a minute mother fucker)

[Verse 2: Trey Songz]

Girl I like your face down with your ass up
Do the most get ghost like Casper
Beat it like a boxer
Eat it like a lobster
Tell me your desires
Get you higher than a roaster
I got something special for you when I get you home
You should let me drive girl the rides really long
If you wanna ride ride ride you can
You just gotta lie lie to your man
I just wanna get a little
Give a little
Take a little
Make a little love all over my crib
Girl if you can take a lot of
Make a lot of sounds
I'm gonna take your body down
And I'll pass you on the Chris (Oops)

Girl I'm right in front of you
Tell me what you wanna do
I just want your body with my body right up under you
You turning me on like a Keri Hilson song
And I wanna get you goin right now
Let me knock you down

Wait a minute mother fucker
Wait wait wait wait
Wait a minute mother fucker
Wait wait wait wait
Wait a minute mother fucker
Wait wait wait wait
Wait a minute mother fucker
Wait wait wait wait

[Verse 3: The Game]

I'm in that mocialaco
Riding through Chicago
And it's 12:00
12:00 in my Mofato
Yeah I know, B and CB it's like back in back Diablos
Drop the top
Put on the gatos
Swim in the Mike Phelps
Under my gucci belt
I said swim
Not unstrap my gucci belt
More shoppers than johnny depp in that mosso
So many game impasso
Riding ram in the boxsters
I'm in the deville
Sippin on bell with damn vodka
So many tricks
Hit em in a little bit can't grab banana split
I ain't no chicken
Never been no chicken ish
If I pop a bottle
She a model hen she lickin it
If I'm going down I'm eating it like?
Knocking on my dressing room
Just to get freaking chris
She spillin my chris
Freakin on my fresh fit
Curve
That's when get on to the next two

I'll be swimming in women
And I'd be diggin and living
And I'll be whippin the whips that ya never seen now
Well the quip is just whip it

And make it pur like a kitten
And I'm a have you addicted-ted to me now
And all the fast girls wanna get money
Baby girl you ain't getting none from me
All you get is this
Make it bounce like a bunny
Come on
T-t-t-tricks are for kids
But feel it in your ribs
Like

Wait (wait a minute mother fucker)
Wait wait wait wait (wait a minute mother fucker)
Wait wait wait wait (wait a minute mother fucker)
Wait wait wait wait (wait a minute mother fucker)
