(verse1)

Look at what this girl done did to me,
She done cut me off from her good, good love.
She told me that those days was gone
(oh, oh, oh)

(chorus:)

Now im sittin here goin halfway crazy
(oh, oh, oh)
Cause i know she still thinks about me too
(oh, oh)
And it aint no way in hell that i can be just friends with
you
(you, you, you)
And i wish we never did it, and i wish we never loved it,
and i wish i never fell so deep in love with you and now
it aint no way we can be friends

(verse2)

The way it felt, no faking it. maybe we were moving just
a little too fast.
But what we've done we cant take it back(back, back,
back)
(chorus:)

Now im sitting here halfway crazy
(oh, oh)
Cause i know she still thinks about me too

(oh, oh)

And it aint no way in hell that i can be just friends with
you
(oh, oh)
And i wish we never did it, and i wish we never loved,
and i wish i never fell so deep in love with you and now
it aint no way we can be friends.

And all i can say is: (la 7x's) laaaa (la 9x's) la la la ohhh
(la 7x's)
Hey, aint no telling what we could've been (aint no tellin
what we could've been, no)

(bridge:)
And if i knew it ends like this
I never would've kissed you cause i fell in love with you
We never would've kicked it
Girl, every thing's different
I've lost my own recoverin' my friend
I wish we never did it
And i wish we never loved it,
And i wish i never fell so deep in love with you and now
it aint no way we can be friends
(la 23x's)
(aint no tellin when we can be friends)
