listen mama when i said i was gone  
you know i'll be back  
it's been a while but you already know  
just make sure you have a little thing on me

'cause baby ohh  
you know i didn't abandon your love, oh no  
and lady, you know i never do that to us,  
notice that i, you the right you leave, you  
you'll never be without me too long,  
and when i'm gone i can't wait to get home to you  
so girl you can be and you best believe i miss you  
like crazy get right here 'cause ..

chorus:

girl when i see you, i'm gonna hug you  
girl when i see you, i'm gonna touch you,  
girl when i see you, better i'm gonna love you,  
girl when i see you, better i'm gonna love you down.  
girl when i see you, i'm gonna kiss you,  
girl when i see you, because i miss you,  
girl when i see you, i'm gonna love you up,  
girl when i see you better i'm gonna love you down.

girl i can't stop thinking about the way we do  
what we do, it makes me smile

and honey you can't imagine how it feels  
missing the end in time, you r love it feels good.

you, i can't wait to see,  
you'll never be without me too long,  
when i'm gone i can't wait to get home to you  
so girl you can be and you best believe i miss you  
like crazy get right here 'cause ..

chorus:

girl when i see you, i'm gonna hug you  
girl when i see you, i'm gonna touch you,  
girl when i see you, better i'm gonna love you,  
girl when i see you, better i'm gonna love you down.  
girl when i see you, i'm gonna kiss you,

girl when i see you, because i miss you,  
girl when i see you, i'm gonna love you up,  
girl when i see you better i'm gonna love you down.  
once i give her ...  
and you can't tell ..  
.go to explode when i see you

yes the time is so right  
baby the time is tonight  
yes we need the time in your life.

[chorus:]
