Let me take your clothes off, and lay on this bed; my  
hands around your  
Neck, girl, your body soaking wet. There's nothing I  
won't do to you, my  
Favorite place inside of you. Girl, how bad you want it  
babe, babe, babe

I kiss your body everywhere; I don't want to stop it  
there. You ain't  
Running tonight, keep you cumin tonight. Say you want  
it very deep, baby  
Here the recipe, take it off girl, I know exactly what you  
like.

When we make love, we make love. Everywhere, so  
bring your body here. When  
We make love, we make love. Everywhere, so bring  
your body here. Now we  
Make love, love, love, love, love. How we make love,  
love, love, love,  
Love.

You see the way you make it feel girl, no one never feel  
girl, gone keep it  
Arch for me. Ooh you picture perfect naked, screaming  
you can take it, give  
It to you how you need. Oh I, I'm gonna lick your body  
everywhere. Tell me  
When I'm right there. You ain't running tonight. I know  
exactly what you  
Like.

We make love, we make love. Everywhere, so bring  
your body here. We make  
Love, we make love. Everywhere, so bring your body  
here. Now we make love,  
Love, love, love, love. How we make love, love, love,  
love, love.

This loves that I'm making with you. So deep and so  
passionate, girl is goes  
On and on and on, don't you feel it, baby all the

freaking things we do,  
Are moments you won't forget, I love you girl show you  
every time I touch  
You girl, I don't want nobody else but you girl. I don't  
want nobody else  
But you girl.

I love you girl, you know I care, so beautiful can't help  
but stare, yeah  
Can't help but stare, so beautiful, beautiful (My Baby)  
beautiful  
I LOVE YOU GIRL
