(Verse)

Picture this

Coming home from a long day's work, no food is there

Picture this

Steady trying to show the world your worth, and
nobody cares

Picture this

No kissing, ain't no touching, there's no hugging
And in the evening no good loving

(Chorus)

Ain't no pretty picture you can paint

Ain't no way this life would be the same

I'm telling you a man can't be a man without a woman

And you can try as hard as you can,

But we ain't nothing without a woman, nothing

Living in a world so cold, so cold, cold

The fire burns through my soul, without a woman

(Verse)

What if you

Had no hands to rub up on your shoulders

And in the morning she's not there to fix your folgers

You're sick as a dog right now

Kids running all around that house

No one to help you out

Picture this

You payin' these bills all 'bout yourself

No one to tell you watch your health

You keep fucking up, you might as well

Picture this 'cause your world don't spin without her

And hers won't spin without you

(Chorus)

Ain't no pretty picture you can paint

Ain't no way this life would be the same

I'm telling you a man can't be a man without a woman

And you can try as hard as you can

But we ain't nothing without a woman, nothing

Living in a world so cold, so cold, cold

The fire burns through my soul, without a woman

(Bridge)
Say hello to pain
Goodbye to love
Hello to rain
The sun will never shine again
There'll be no wednesday movie nights
No make-ups after fights
Girl I'll make it right
I'm lonely with my pillow
Your car's not in the drive way
Clothes ain't in the closet
Girl I'm broken hearted
Come and find me 'cause I'm lost without my woman
And I know that a man can't be a man without a woman
You can try hard as you can
But you won't be nothing without a woman
Living in a world so cold, so cold
The fire burns through my soul, without my woman

(Outro)
See baby life ain't life
And living ain't living
Without my woman
Hurting inside
Without my woman no, no, no
