I gave you prophesy on my first joint
But you all lamed out
It ain't really appreciated
The second one's out, danger, Songz

Your face is amazing, blazing hot like Cajun
And all I need is a minute, please no gimmicks
Ya tellin' me to chill, on the real or take a trip to Satan
Sent me to hell wit it, then I yell, wut it do

The hell wit ya crew
Say, you got a man, well, the hell wit him too
The seats is seashell, the whip is sea blue
And you can swim through.

Ain't a lot of women that I can't swim through
And you can't say that I don't tempt you
'Cuz if you said that, you's a liar
Grip them legs back call me pliers

Z 4 chrome up under the tires
And you so grown and my desires
To make you come finish that rum
Aye who said Trey Songz ain't fire?

The way you talkin' girl, you seem so invincible
Oh, and it's more than sexy girl the way that you take
control
I wonder woman, are you my kinda woman?
Wit a back like that you fly like jets
Are you my wonder woman?

Are you, are you my wonder woman?
Are you, are you my wonder woman?
Are you, are you my wonder woman?
Are you, are you my wonder woman?

It's a shame the way you do yo thang
You can't blame me starin' at your frame
What's your name? Baby, they call me Trey
From the TV to the stage, the p-p-prince of VA

I got poppas like doctors, I could change your life
You should stop watchin' and jockin'
As if you ain't gon ride, I wonder somethin'
Baby, we gon do somethin' tonight, tonight, oh, oh

The way you talkin' girl, you seem so invincible
Oh, and it's more than sexy girl the way that you take
control

I wonder woman, are you my kinda woman?
Wit a back like that you fly like jets
Are you my wonder woman?
Are you, are you my wonder woman?
Are you, are you my wonder woman?
Are you, are you my wonder woman?
Are you, are you my wonder woman?

What's this game, baby? I wanna play
What you say, can't let you get away
'Cuz I don't wanna leave girl
I only wanna be wit you, wit you

I got poppas like doctors, I could change yo life
You should stop watchin' and jockin'
As if you ain't gon ride, I wonder somethin'
Baby, we gon do somethin' tonight, tonight, oh, oh

The way you talkin' girl, you seem so invincible
Oh, and it's more than sexy girl the way that you take
control

I wonder woman, are you my kinda woman?
Wit a back like that you fly like jets
Are you my wonder woman?

I wonder 'cuz I need a special kinda woman beside me
You my wonder woman, come find me
We can do whateva woman
Long as we together woman

This ain't a game, I need a super kinda woman beside

Girl, I need a miracle, anythang is possible
Make your body, be my home
Let me come inside and we gon see if you invincible

The way you talkin' girl, you seem so invincible
Oh, and it's more than sexy girl the way that you take

The way you talkin' girl, you seem so invincible
The way that you take control
I wonder woman, are you my kinda woman?

If we could be super friends in the world
It'd be so incredible
I can't help but wonder 'cuz
Wit a back like that you fly like jets
Are you my wonder woman, oh
