"Yesterday"

(feat. Toni Braxton)

Oh ohh noo ohh ohh

[Verse: Toni Braxton]

Gave you the benefit of the doubt
Till you showed me what you were about
Your true colors came out

Ohhhh

And your words couldn't hide the scent
Cause the truth about where you've been
Is in a fragrance I can't recognize

Standing there
Scratching your head
Blood shot eyes, drunk with regret
Hanging yourself ten feet over the edge

I'm done with this
Feeling like an idiot
Lovin you, I'm over it
I just don't love you, don't love you no more

You, you are so yesterday
Never thought you'd lose my love this way
Now you come begging me to stay

Say, you, you are so yesterday
I won't let you rain on my parade
Don't wanna hear a thing you say
So yesterday

[Verse: Trey Songz]

Baby what you saying to me is
Their no more you and I
I couldn't get right on yesterday
So kiss our tomorrow goodbye
Baby, love should have brought me home
Should just been a man about it

Now I'm crying like a baby
Girl your love is just like my blanket
Don't know what to do without it

I'm standing here
Pleading my case
You don't care to hear what I say
Hanging yourself ten feet over the edge (ooh no baby)

[Trey Songz (Toni Braxton):]
My promises don't mean
A thing
The end is so disgusting
I just don't love you, don't love you no more. (Don't love
me no more)

[Toni Braxton:]
You, you are so yesterday
Never thought you'd lose my love this way
Now you come begging me to stay

Honey, you, you are so yesterday
I won't let you rain on my parade
Don't wanna hear a thing you say
So yesterday

[Toni Braxton (Trey Songz):]
And now you wanna reminisce (now I wanna reminisce)
Say you wanna try again (said I wanna try again)
Started with a little kiss (a kiss)
(we can't even regret) no no

Now I never wanna see you, never wanna feel you
Ever wanna hear you
I don't love you, don't need you, can't stand you
No More...

You, you are so yesterday
Never thought you'd lose my love this way (Toni, please
don't leave me)
Now you come begging me to stay

Baby, you (Toni, Toni, Toni, Toni, Toni, Toni don't do it
again)
You are so yesterday
I won't let you rain on my parade
Don't wanna hear a thing you say
(Don't you hear me don't erase tomorrow just because
of yesterday)

So yesterday (yesterday)

So yesterday (yesterday)
So yesterday (yesterday)
