Every time she leaves it's my heart that she's taken
from me
I dunno if she's gone for good or returning in the
morning
Cannot wait through the night cause I can't help the
tossing and turning
I want you to know that our bed, our sheets, our
pillows get lonely
on...Yo side of the bed

[Chorus]

Yo side, Yo side, Yo side, Yo side, Yo side,
Yo...On yo side of the bed [x3]
Yo side, Yo side, Yo side, Yo side (its so lonely
there)
I don't wanna sleep if you ain't here... noooo

I just wanna breathe your air
Watch you when your wrapping up your hair
Gazing at the mirrors up there, I'm reaching while
imagining that you're here
Awake through the night cause I can't help the tossing
and turning
I want you to know that our bed, our sheets, our
pillows get lonely
on...Yo side of the bed

[Chorus]

Yo side, Yo side, Yo side, Yo side, Yo side,
Yo...On yo side of the bed
Yo side, Yo side, (where I lay my head) Yo side, Yo
side, Yo side,
Yo...On yo side of the bed
Yo side, Yo side, Yo side, Yo side, Yo side,
Yo...On yo side of the bed
Yo side, Yo side, Yo side, Yo side (its so lonely
there)
I don't wanna sleep if you ain't here... noooo

[Guitar solo: (Trey Talks)]

Play on...

That's what you gotta do sometimes

Let it play baby...
So lonely there...
on...yo side of the bed

Yo side, Yo side, Yo side, Yo side, Yo side,
Yo...On yo side of the bed
Yo side, Yo side, (your pillow is waiting girl, pillow
is waiting girl)
Yo side, Yo side, Yo side,
Yo...On yo side of the bed
Yo side, Yo side, Yo side, Yo side, Yo side,
Yo...On yo side of the bed
Yo side, Yo side, Yo side, Yo side (its so lonely
there)
I don't wanna sleep if you ain't here... noooo

Sleep she's coming back...sleep.
