You belong to me tonight girl  
I been lookin for...  
I been loonin for... a real love  
Ohh

[Chorus:]

You belong to me tonight my love  
All I wanna do is make love slow  
Girl I want... make love slow  
Girl you know your body it deserves, everything on this  
earth  
I'll give it to you  
I'll give it to you

And since we're only in the first verse  
Girl take off that purse, and get in this room  
Ooh, and get in this room  
Now baby ooh baby I'm ready  
I'm a take control if you let me inside your world  
Please don't be afraid girl  
Tempo slow, lights down low  
Now tell me if you like down low

I'll go, cause I just want to please you  
Believe me when I tell you I need you

[Chorus]

And if I can't have your body  
I don't wanna have nobody, id rather be alone  
Ain't no substitute, they can't do what you do for me  
Would you please take your clothes off  
Or would you rather me do that part  
Cause I don't mind, no I don't mind  
Button after button now the blouse coming off  
Kissing on your stomach, now your skirt coming off  
You feel so soft  
Kiss until I find it, you must be reminded

[Chorus]

[talking part]

[Chorus]
