Songz, Jones, songbook, baby
And you're my boy E Hud
You already know

I'm so, you so, we so, so fly
I'm so, you so, we so, so fly
I'm so, you so, we so, so fly
I'm so, you so, we so, so fly

I'm so, you so, we so, so fly
I'm so, you so, we so, so fly
I'm so, you so, we so, so fly
I'm so, you so, we so, fly

Maybe it's the dude, maybe it's the cool
Maybe it's my shoes, call 'em 22's
Baby, it's your waist, baby, it's your face
Baby, it's your smile, make me wonder how you taste

Maybe 'cuz the thugs say that I'm cool
Maybe 'cuz the girls wanna be like you
Maybe it's the ice that makes you look twice
Maybe it's your back that made me look back

Baby, I look good with you
You should know that you look good with me too, true
Let me ride through the hood with you
And show you to my boys 'cuz ooh, ooh you

You so fly, I'm so fly
What's mo' fly than you and I together?
Get high, let's fly together
Oh, girl

I'm so fly, you so fly
What's mo' fly than you and I together?
Get high, let's fly together
Ooh

Maybe take a cruise, sail across seas
We could never lose, baby not we
We could be the two, true life of the party

Baby, what it do? You know that you want me

Maybe, is the feel that I like you
Got a nigga feel, he gon' wife you
Maybe it's the fit that made me look slick
Baby, you the pick, I make you my chick

Baby, I look good with you
You should know that you look good with me too, true
Let me ride through the hood with you
And show you to my boys 'cuz ooh, ooh you

You so fly, I'm so fly
What's mo' fly than you and I together?
Get high, let's fly together
Oh, [Incomprehensible]

I'm so fly, you so fly
What's mo' fly than you and I together?
Get high, let's fly together

Baby don't, don't you take too long
I want you in my arms
And if you feel what I feel
Bring it here to me

C'mon
See we young, but girl we grown
And baby I wanna grow old
With you 'cuz you know that you so

Oh maybe, it's your attitude that makes me a li'l mad at
you
The same time the gratitude make me wanna spend
cash on you
Take you on trips across the longitude and latitude
Let you hold the whip, last time we almost crashed the
Coupe

So I laughed at you 'cuz we was drunk pissy
It was two summers ago, that was the summer with
Miami
But maybe it's the loyalty, they way that you callin' me
Where we makin' love and you scream, "put it all in
me"

Maybe my physique and my upcoming from the streets
It keeps you runnin' back and got you cummin' in the
sheets
From the first time I met you, you've become a li'l freak
I might go downtown and get somethin' to eat

Baby, you take care of me, baby I'll take care of you
You cry, I cry, baby I shed tears for two
Baby, if that 7 Carat didn't cost 300 grand
I wouldn't have to tell you put some ice on ya hand, just
joking

You so fly, I'm so fly
What's mo' fly than you and I together?
Get high, let's fly together
Maybe girl, we fly together

I'm so fly, you so fly
What's mo' fly than you and I together?
Get high, let's fly together

I'm so, you so, we so, so fly
I'm so, you so, we so, so fly
I'm so, you so, we so, so fly
I'm so, you so, we so, so fly
Oh, girl
