Baby, you're lookin' so lovely  
I'm thinkin' 'bout you lovin' me, kissin' me, touchin' me  
Lookin' so lovely  
I'm thinkin' 'bout you lovin' me, kissin' me

I promised you, I'd take you out  
Enjoy your night out on the town  
Light dinner and some champagne  
You deserve the best of the finer thangs

Girl, tonight you couldn't look any better  
Amazingly irresistible  
I can see it in my mind  
Baby, you and I, later on tonight makin' love

DJ's playin' the last song  
We've been dancing all night long  
Wanna hold you in my arms  
Girl, it's time that we get gone

Can't control it any longer  
'Cuz the feeling's just too strong  
Baby, you know

It's such a beautiful thing  
Way that we be doin' our thang  
When we be doin' it  
We should be makin' love, oh, oh, oh  
Love, oh, oh, oh

Most gorgeous lady in the room  
I know you can feel all eyes are on you  
I think they all are a little envious  
Of this chemistry that we share between us

So, I don't wanna come off disrespectful  
But I can't keep my hands off of you  
Girl, I'm all over your love and if I can lay it down  
Then right here on the ground, I'd start makin' love to  
you

DJ's playin' the last song

We've been dancing all night long  
Wanna hold you in my arms  
Girl, it's time that we get gone

I can't control it any longer  
'Cuz the feeling's just too strong  
Baby, you know

It's such a beautiful thing  
Way that we be doin' our thang  
When we be doin' it  
We should be makin' love

Maybe in the car, babe  
Or maybe we could stop some place  
'Cuz I don't wanna wait  
Until we get all the way home, no, no

Got me hard grippin' in the third lane  
And girl it's only for the sake of your love  
And all I see is us  
Makin' love 'til the sun comes up, oh

I can't wait, I can't wait  
I can't wait, no, no, no  
Oh baby, baby, baby

It's such a beautiful thang  
Way we be doin' our thang  
When we be doin' it  
Doin' it, doin' it

DJ's playin' the last song  
We've been dancing all night long  
Wanna hold you in my arms  
Girl, it's time that we get gone

Trey can't control it any longer  
'Cuz the feeling's way too strong  
Baby, you know

It's such a beautiful thing  
Way that we be doin' our thang  
When we be doin' it  
We should be makin' love, oh, oh, oh  
Love, oh, oh, oh, I just wanna make love to you

Hey, hey, hey, hey, hey, hey  
I just wanna make love  
Oh baby, you're lookin' so beautiful  
It's such a beautiful thang

Way we be doin' our thang  
When we be doin' it, we should be makin' love

It's such a beautiful thang  
Way we be doin' our thang  
When we be doin' it  
Beautiful thang in this world

It's such a beautiful thang  
Way we be doin' our thang  
When we be doin' it  
Our love

It's such a beautiful thang  
Way we be doin' our thang  
When we be doin' it  
We should be makin' love

It's such a beautiful thang  
Way we be doin' our thang  
When we be doin' it

It's such a beautiful thang  
Way we be doin' our thang  
When we be doin' it

It's such a beautiful thang  
Way we be doin' our thang  
When we be doin' it
