Just gotta make it, alright, just gotta make it  
Just gotta make it, alright, just gotta make it  
Just gotta make it, alright, just gotta make it

Shawty, all I got is a dollar and a dream  
Is ya gonna roll wit me?  
You see I've tried a 9 to 5, and it just don't fit me, no  
I can get us out the hood and have us livin' good

Ya feel me?  
But I ain't leavin' here if you ain't wit me  
'Cause a suit wit a smile that don't fit me  
Taking a bus for some miles is gon' kill me

I'm tryin' to turn it around  
Start this thing from the ground  
And as long as you're down I know

Looking at you day after day, I know I  
Just gotta make it, alright, just gotta make it  
Just to see that smile upon your face I know I  
Just gotta make it, alright, just gotta make it

Everything I do I do for you and we  
Just gotta make it, alright, just gotta make it  
To the top of the world me and my girl we  
Just gotta make it, alright, just gotta make it

Now, baby, one day soon you gone walk outside  
Just to see a Mercedes  
And I'm gone give ya the keys and tell ya go shoppin'  
And buy everything you want, buy everything you need  
Make sure you get some shit for me

Then I can get us out the hood and have us livin' good  
But first I gotta know that you gonna roll  
'Cause a suit wit a smile that don't fit me  
Taking a bus for some miles is gon' kill me

I'm tryin' to turn it around  
Start this thing from the ground  
And as long I know you're gon be down

Looking at you day after day I know I  
Just gotta make it, alright, just gotta make it  
Just to see that smile upon your face I know I  
Just gotta make it, alright, just gotta make it

Everything I do I do for you and we  
Just gotta make it, alright, just gotta make it  
To the top of the world me and my girl we  
(Trey Songz, Twista we put it down like this)  
Just gotta make it, alright, just gotta make it

Even if I gotta go and cop a thing  
Get up early an go standing on the block, some how I  
Just gotta make it, that's right  
Just gotta make it, uh huh

Even if I have to sit wit the fellaz  
At the round table and come up on a plot, some how I  
Just gotta make it, baby girl I  
Just gotta make it, uh huh

I'm telling you the truth on the daily  
There's nothing I won't do for you baby  
Having big dreams that we ridin' in the Bentley  
Continental  
While me copping you a cute lil' Mercedes

And I know I got the block hot  
But until I make happen' for you baby I will not stop  
I will drap you with diamonds and furs  
Visions of your hurr blowin' in the wind from my drop  
top

Like a baller, like a true shot caller  
The homie Trey Songz trippin'  
All day long get me high too  
Makin' that money for the family

Can I get up wi'cha it's that nigga named Twista  
Come and take a lil' cruise with a G  
Threw the Chi-town streets  
'Cause you feelin' me up on the inspiration whenever  
I'm

Looking at you day after day I know I  
Just gotta make it, alright, I just gotta make it  
Just to see that smile upon your face I know I  
Just gotta make it, alright, just gotta make it

Everything I do I do for you and we

Just gotta make it, alright, just gotta make it  
To the top of the world, me and my girl we  
Just gotta make it, alright, just gotta make it

Oh yeah, it's Trey Songz and the homie Twista  
(Just gotta make it, alright, just gotta make it)  
And we gonna have to make y'all  
For my Baby cause we Entrepreneurs  
(Just gotta make it, alright, just gotta make it)  
I know I'm [Incomprehensible]  
(Everything I do I do for you and we)
