It's a long and lonely night  
Early in the morning  
I can see a million lights  
And many dreams are calling

Beauty as a flower  
Slipping trough the walls  
Am I about to lose it all  
(And she says:)

Chorus:  
Any way you want it  
Anything you need  
Baby you're the master  
That I want to please  
Love is getting harder  
With a nice tattoo  
Yes I came for you  
So she said

I am walking on my own  
As the sun is shining  
But a message on my phone  
Makes my thoughts colliding

Clever conversations  
Get a little numb  
Makes me feel that we belong to none  
(And she says:)

Chorus:  
Any way you want it  
Anything you need  
Baby you're the master  
That I want to please  
Love is getting harder  
With a nice tattoo  
I had it made for you  
So she said

Release:  
I will show you something that you never tried before

Baby I will make you beg for more  
Standing here preventing you from running for the  
door  
Just touch me now Â... anyhow

Beauty as a flower  
Slipping trough the walls  
Am I losing my mind  
Why did I return your call
