Into the fire
I'm falling like a bird
On wire
In a lion's cave

I'm getting dizzy
The room becomes a singing zoo
And I can't help myself
I'm falling for you

Everything I planned is sinking in the sand
With a wave of heavens hand
When you tempt me to fall in love with you
Come on baby, say it isn't true
Oh sweet love, you're really playing with my heart
Oh sweet love

Into the fire
I've got a family back home
Through a wire
They are on the phone

I'm getting dizzy
I try to look away from you
But I can't find my way
Out of the zoo

Everything I planned is sinking in the sand
With a wave of heavens hand
When you tempt me to fall in love with you
Come on baby, say it isn't true
Oh sweet love, you're really playing with my heart
Oh sweet love

Everything I planned is sinking in the sand
With a wave of heavens hand
When you tempt me to fall in love with you
Come on baby, say it isn't true

Everything I planned is sinking in the sand
With a wave of heavens hand
When you tempt me to fall in love with you

Come on baby, say it isn't true
Oh sweet love, you're really playing with my heart
Oh sweet love, yea, yea, yeah
Oh sweet love, you're really playing with my heart
Oh sweet love
