It's late at night, they've all gone home
So finally we're all alone
The waiter says, "We're closing very soon"

Still the night's so long
Don't wanna say goodbye to you
I've got plans for us tonight
Baby, that's right

I wanna dance all night long
All alone with you, girl
'Cause I'm ready for a sweet romance
All alone with you, girl

We share the last glass of wine
Our hearts are beating in perfect time
Wondering who will be the first to say

You know it feels alright
But why don't you hold me tight

I wanna dance all night long
All alone with you, girl
'Cause I'm ready for a sweet romance
All alone with you, girl

I know tomorrow comes a day
Don't think about what they will say
Just close your eyes and dream away
In my arms

I wanna dance all night long
All alone with you, girl
'Cause I'm ready for a sweet romance
All alone with you, girl

I wanna dance all night long
All alone with you, girl
'Cause I'm ready for a sweet romance
All alone with you, girl

I wanna dance

I wanna dance
I wanna dance
I wanna dance
