It's been the story of my life
The things I love I have to sacrifice
And now there's nothing left of me
Feeling invisible
In need of the miracle

Chorus:

I try to remember It's only love
We have to surrender there's no more us
The world keep on turning and I carry on
The dream of another you
The song that I hold on to

Another castle in the skies
Another dream I have to push a side
And now I knew before the truth
To face the the inthinkable
Feeling so breakable

Back to Chorus: I try to remember...

Trying to forget about you now
Trying to move on but I don't know how
It's only love that I feel

Chorus 2x
