No more crashing sounds only the wind
There's still fire in the ruins
I hear your shivering voice in my ear
Do you think it's over now?
Do you think that there is nothing left to fear?

Is the devil surviving somewhere
Inside you and me?
I just can't believe it when I
Look into your eyes and I

I go swimming in your
Ocean of love
Forgetting everything in your
Ocean of love

The fighting is no more, it's the end of the war
I think it must be over now
This time I think the madness finally left our world

Or is the devil still hiding somewhere
Inside you and me?
I just can't believe it when I
Look into your eyes and I

I go swimming in your
Ocean of love
Forgetting everything in your
Ocean of love

I go swimming in your
Ocean of love
Forgetting everything in your
Ocean of love

I go dancing in your
Ocean of love
Remember nothing in your
Ocean of love

Innocent eyes they make me lie
Swimming around in an ocean of love

Innocent eyes they make me high
Floating around in an ocean of love

Innocent eyes they make me fly
Swimming around in an ocean of love
Innocent eyes they make me high
Floating around in an ocean of love

Ocean of love
Ocean of love
Ocean of love
