Wake up a minute
I'm as faceless I can be
Broke every heart in town
Blew every brain around
Now I'm back home, baby
Got no back bone, maybe
I'll make it all up to you

Believe me, it's over
Your sleepless nights have past away
My mind is filled with thunder
Hearts of a lonely hunter
No romancing there'll be
No dancing there'll be
No fooling anymore

Just give me one more minute
Just give me one more day
'Cause now the party is over
I'm here to stay

Wake up a minute
I'm as faceless I can be
Broke every heart in town
Blew every brain around
Now I'm back home, baby
Got no back bone, maybe
I'll leave it all up to you

Oh, just give me one more minute
Just give me one more day
'Cause now the party is over
I'm here to stay

Just give me one more minute
Just give me one more day
'Cause now the party is over
Yes, baby, I'm here to stay

Just give me one more minute
Just give me one more day

'Cause now the party is over
Baby, I'm here to stay
