More than wish for thinking
It's making dreams come true
Mankind will celebrate
two thousand zero eight (i.e. 2008)

Certain as the sun
A new day has come
We trust the wind of change
We'll cherish anyone

In the great land of China
presents us stunning view
The eyes of the world are
are watching you

Chorus:
One World One Dream
Reaching for that high being
We can do almost anything
One World One Dream

The power is your soul
Your body makes it whole
Muscle and burning eyes

so keen to run for life

If we can stay together
We can make it through
If we can change the weather
We can be loving to...oh

Chorus:
One World One Dream
Reaching for that high being
We can do most anything
One World One Dream

One world one dream (one world one dream)

One World One Dream
Reaching for that high being

We can do most anything
One World One Dream

One World One Dream
Reaching for that high being
We can do most anything
One World One Dream
