Drifting back to a time gone by
She was in my life
Now I'm watching her from my car
Someone bought her roller skates
God, am I too late?
Did somebody else take my place?

She's getting closer
And as I roll the window down
I spoke and then she turned around
And I said

There's something you should know
I could never let you go because I miss you so
Baby, when the time is right
Together we will fight to get you in my life

Looking back through misty eyes
But with a father's pride
I drive away in my car
It doesn't matter, baby, if it takes a year or two
Someday you're gonna find the truth
And I thought

There's something you should know
I could never let you go because I miss you so
Baby, when the time is right
Together we will fight to get you in my life

There's something you should know
I could never let you go because I miss you so
Baby, when the time is right
Together we will fight to get you in my life

There's something you should know
Baby, when the time is right
