Can I act like an angel
If I live like a jerk
Can I keep on disguising
Can I make believe
That I dont deceive
No, no, no
Send the wild women out the backdoor
My wifes knocking at the front door
They made me a winner
They made me a sinner
I dont know what to do
Dirty money in the left hand
While the preachers shaking my right hand
They made me a winner
They made me a sinner
I dont know what to do
When Im riding on top of
The wave of success
Will I lose my devotion
Will I fail to see
What I used to be
Oh, oh, oh
Send the wild women out the backdoor
My wifes knocking at the front door
They made me a winner
They made me a sinner
I dont know what to do
Dirty money in the left hand
While the preachers shaking my right hand
They made me a winner
They made me a sinner
I dont know what to do
Ill have to carry on as two persons in one
Two persons in one, two persons in one
Send the wild women out the backdoor
My wifes knocking at the front door
They made me a winner
They made me a sinner
I dont know what to do
Dirty money in the left hand
While the preachers shaking my right hand
They made me a winner

They made me a sinner
I dont know what to do
Send the wild women out the backdoor
My wifes knocking at the front door
They made me a winner
They made me a sinner
I dont know what to do
Dirty money in the left hand
While the preachers shaking my right hand
They made me a winner
They made me a sinner
I dont know what to do
Send the wild women out the backdoor
My wifes knocking at the front door
They made me a winner
They made me a sinner
I dont know what to do
Dirty money in the left hand
While the preachers shaking my right hand
They made me a winner
They made me a sinner
I dont know what to do
