Oh yellow autumn moon
You'll find me blue tonight
What with the summer gone
What with the fading light
No sails upon the lake
No children upon the shore
No funny sun burnt nose
No little country store
I miss the sunny days
I miss the rainy days and you

Chorus:

You, I'm Gonna Miss You Girl
You, I'm Gonna Miss You Girl
You, I'm Gonna Miss You Girl
You, I'm Gonna Miss You Girl

She said are you a silly man
Don't you know anything
We're gonna stay in touch

We'll give you all the names

We'll get the pictures out
We'll pass them all around
Our fire on the beach
My goodness you were brown
We're gonna live again
We'll make them live again with you

Repeat Chorus

I miss the sunny days
I miss the rainy days and you

Repeat Chorus
