She comes down from Yellow Mountain
On a dark, flat land she rides
On a pony she named Wildfire
With a whirlwind by her side
On a cold Nebraska night

Oh, they say she died one winter
When there came a killing frost
And the pony she named Wildfire
Busted down it's stall
In a blizzard he was lost

She ran calling Wildfire [x3]
By the dark of the moon I planted
But there came an early snow
There's been a hoot-owl howling by my window now
For six nights in a row
She's coming for me, I know
And on Wildfire we're both gonna go

We'll be riding Wildfire [x3]

On Wildfire we're gonna ride
Gonna leave sodbustin' behind
Get these hard times right on out of our minds
Riding Wildfire
