Yes, It was you

[CHORUS]

You and me, walking on an empty beach

A ha, a ha, a ha

In a dream I had last night

Yes it was you and me walking on an empty beach

A ha, a ha, a ha

What a dream I had last night

Cries of war would sound no more

They'd make no sense at all

You could throw away your guns

No word would go unheard

Say what you wanna say

With a heart that's free to run

Let your heart be free to run

[Repeat CHORUS x 2]

You and me, walking on an empty beach

A ha, a ha, a ha

In a dream I had last night

Yes it was you and me walking on an empty beach

A ha, a ha, a ha

What a dream I had last night

Blow the fuse on all bad news

Turn off that tragedy

Never let that wrong be done

No word would go unheard

Say what you wanna say

With a heart that's free to run

Let your heart be free to run

And love will shine on each tomorrow

Beneath a golden sun we'll staaay

Yes, It was you

A ha, a ha

[Repeat CHORUS x 2]

You and me, walking on an empty beach
A ha, a ha, a ha
In a dream I had last night
Yes it was you and me walking on an empty beach
A ha, a ha, a ha
What a dream I had last night

Cause, It was you
Yes, It was you

Aha, a ha, a ha
You and me walking on an empty beach
Aha, a ha, a ha
In a dream I had last night

Cause, It was you
Yes, It was you
