We gettin' dollas
Yours truly, I know y'all been waitin' for it
And it's about time, ain't it?
What I'm a need y'all to do
'Cause, I got what you want
I want all the bitches to report to the dance floor
Right now

I need a bitch to make that ass drop
Make it clap, tune it up and shake it a lil' faster
And one cheek at a time
Left cheek, right cheek, do it all to the beat
It's easier on ya G-string, and you can free ball
Bitch and you ain't gotta wear drawers

How low can you go?
Look back at it, and make it jump like a jack rabbit
Take it down down to the flo'
Shake ya booty break it down get low and low
Work the flo' like a runway

Now vogue wit it, point a nigga out
And tell him come get it
Boom boom, skeet skeet goddamn
Now grind on it, bitch bounce up and down on it
Let him hit it from the back
Put a arch in ya back and let him hit it like that

Now to the beat just jump on the dick
Don't eat, sucka suck on the clit
That's right just jump on the dick
All night sucka suck on the clit
Just jump on the dick
Sucka suck on the clit

Jump, jump on the dick
Just suck on the clit
Just jump on the dick
Jump, jump on the dick
Sucka suck on the clit
Just suck on the clit

Hush, shut up, don't say nothin'
When I'm ridin' in, slippin' slidin' in
And the more you in it the better it gets
And it's up to you how wet it get
And it's up to you how many ya get
My nigga you don't know who you fuckin' wit

Who you suckin' up, who you love to fuck?
You see a bitch like me I neva stop
I like to take it from the bike and ride on top
All night, all day I'll be on my way
When you call, if ya call all you to say is
Jump on the dick

Bitch do yo thang
And I'mma get fucked up and suck ya up
So what you think about that
You wanna give it to me?
Then baby show me
What you got and give it to me 'cause

Now to the beat just jump on the dick
Don't eat, sucka suck on the clit
That's right just jump on the dick
All night sucka suck on the clit
Just jump on the dick
Sucka suck on the clit

Jump, jump on the dick
Just suck on the clit
Just jump on the dick
Jump, jump on the dick
Sucka suck on the clit
Just suck on the clit
