[J.T. Money]

Yeah, and that nigga, J.T. Motherfucker check it out

See I'm a pimp, you motherfuckers better know
'Cause when I find out my bitch ain't shit I MIGHT let her
go
'Cause a ho gon be a ho, nigga that's in the game
So all you niggas that be taking them out and buying
thangs
That's less I got to do plus that bitch fed
I get her for half of everything plus some of that
smokin' head
So what the fuck? You'se a duck. Nigga spend your
flow
See I know you just want to say you fucked my ho
But that ain't shit 'cause I ain't never been a sucker
I'll let you have that hoe, nigga I bet you I can still fuck
her
Better recognizer, I'm the bitch-izer
Next time you see your hoe your bitch'll have her thighs
up
On a flick with this dick off inside her
Show you how to ride her
I'll make that pussy wider
You marks ain't got nathan for me
I'll make your baby mama leave you and tell you she
love me
So who's the motherfucking man now?
You can never outdo me dawg and never understand
why
This goes deeper than just dollars and cents
You keep breaking off them hos and that money keeps
getting spent
'Cause I'm a pimp, now let me hear you say it

[Chorus]

[Buddy Roe]

What is this shit about you on the rag?
You wants to lag in my pad with my cash before I get

You think I'm bluffing
Let me catch you cuffing
BITCH!

Now while you blinkin ho I'm thinkin
Pretty Tony's thinking
Now I'm yo people get that bank and ho from here to

You got me looking like a million bucks
Turning tricks suckin up dicks and lickin hella nuts

'Cause I'm the real
Ain't no need for you to bill me
I'm already hot
Get the cash out that ass I'm that type of guy
I introduced you to these fucking streets

Or your sure to get fucked up

Bitch, I'm wearing the pants, I'm the law man

Just put your money in my gotdamn hand

'Cause I'm your pimp, pimp, now let me hear you say it
