Anybody wanna motherfucking die, come see I
Who me? T-double D nigga
That's right that's motherfucking me nigga
And got damn it if I said it, I motherfuckin' meant it
If it was fully I motherfucking spit it, fuck whoever I
offended
Hold on! Wait one motherfucking minute
Y'all ho's y'all know how the game go
Fuck everyday never hit the same ho

From M I A that's where I stay, baby
Bout money and I don't even play, baby
If a nigga ever was to go broke, click, click
Y'all niggas seen this shit before
Real niggas know how to make a way
I make niggas who creep stay the fuck away

You can't fuck with me or my dogs
Representing double S haters fuck y'all
I don't give a fuck who ya run with
Tout guns with, you don't run shit over here
'Cause we can both die right now
I don't fuck with you so don't fuck with me
I'm just trying to get my shit together
I'm making money with my click forever
We all fam and we stick together

Huh, see back in the days before niggas like me
There was niggas like you infuriating my crew
I got sick of this shit one day
Say one day here's what a nigga gon' do
All staking out in hummers we spittin' on 'em
All hating ass niggas fuck it we'll kill 'em
I'm sick of 'em and they can't do shit for 'em
Oh well I got big guns

It's T-double-D y'all
Okay my AK's on full y'all
This one here on me dog
But the next time no cameras no TV dog
If you a real nigga just like me dog
And you like living just like me dog

You know when you rap niggas blow up and don't show
up
And that ain't even me dog

You can't fuck with me or my dogs
Representing double S haters fuck y'all
I don't give a fuck who ya run with
Tout guns with, you don't run shit over here
'Cause we can both die right now
I don't fuck with you so don't fuck with me
I'm just trying to get my shit together
I'm making money with my click forever
We all fam and we stick together

So you don't fuck with me or my dogs
Representing double S haters fuck y'all
I don't give a fuck who ya run with
Tout guns with, you don't run shit over here
'Cause we can both die right now
I don't fuck with you so don't fuck with me
I'm just trying to get my shit together
I'm making money with my click forever
We all fam and we stick together

It's a whole lot of niggas out here
Don't wanna see me JV glowin', Hennessey pouring
Knowing where a nigga came from, where a nigga
going
Take a look, I'm the best thing showing, blowing
Smoking on the best thing growing, tighten up
You don't wanna be for a nigga like me see that's
where ya slip
Now I gotta slide in the clip, flip, take another sip
Bust ya in ya lip with the gat, man I don't play like that

We taking this shit back, right now
The game the same, the whole damn thing
Oh naw, I ain't playin' witch a man, I'll be there when I
get there
Oh shit yeah, ain't nothing else finna be the same
nigga

You can't fuck with me or my dogs
Representing double S haters fuck y'all
I don't give a fuck who ya run with
Tout guns with, you don't run shit over here
'Cause we can both die right now
I don't fuck with you so don't fuck with me
I'm just trying to get my shit together
I'm making money with my click forever
We all fam and we stick together

So you don't fuck with me or my dogs
Representing double S haters fuck y'all
I don't give a fuck who ya run with
Tout guns with, you don't run shit over here
'Cause we can both die right now
I don't fuck with you so don't fuck with me
I'm just trying to get my shit together
I'm making money with my click forever
We all fam and we stick together, nigga
