Yeah

(Yeah)

There's a lotta fuck niggas in the club tonight
(Fuck 'em, fuck 'em, fuck 'em)

But it's gonna be aight

(Yeah, yeah, yeah, yeah)

'Cuz me and my clique we don't give a fuck nigga
Trick Daddy, Jim Johnson, Big D, Lil Jon

Let's go

(Let's go)

If you want it you can get it, let me know
(Let me know)
I'm 'bout to fuck a nigga up, lets go

(Let's go)

If you want it you can get it, let me know
(Let me know)
I'm 'bout to fuck a nigga up, lets go
(Let's go)

If you want some, come get some
'Cuz where I'm from, we tote big guns
And everybody know somebody that
Know somebody that know somethin' 'bout it

And I want answers now
Who? What? Where? When and Why?
See, a lotta dudes like to act a fool
And all get all loud but that ain't my style

And he who he gonna get and what he gonna do
Run up on me if he want to
Out there impressin' his homies
But he stood up in front of his mama

I mop up the flo wit 'em
And I kick in the door and let the .44 get 'em
I got fools that'll go get 'em
That's for him, his crew and the dudes that run wit 'em

Let's go
(Let's go)
If you want it you can get it, let me know
(Let me know)
I'm 'bout to fuck a nigga up, lets go

(Let's go)
If you want it you can get it, let me know
(Let me know)
I'm 'bout to fuck a nigga up, lets go
(Let's go)

Gotta spit for the murderas
And the killas and the thugstas
That be fuckin' up the ballas
And the dealas and the hustlas
Got me comin' at you bokas

In the V.I. while they bumpin' Lil' Jon, I'm a brush ya
It's the psycho nigga twista from Chicago
Rollin' with the Miami nigga that'll crush ya
We already been lookin' for drama

If a nigga try to get it to then we still gotta get 'em
Feelin' fury from my tough shit that can't never be true
And the penicillin', I'm telling you Trick of in and still
'em
Got me swingin' crysie and hennessy bottles

In the club with my thug homies goin for the skrilla
Don't get it twisted with that
Overnight celebrity you better be scared
Of me in my city I'm a killa

Let's go
(Let's go)
If you want it you can get it, let me know
(Let me know)
I'm 'bout to fuck a nigga up, lets go

(Let's go)
If you want it you can get it, let me know
(Let me know)
I'm 'bout to fuck a nigga up, lets go
(Let's go)

I ain't that rappin' type arright
And I that actin' type arright
This sulphane in my script
I'm a play on you and you just a square

See, once that hennessy into me
The whole industry is my enemy
If you ain't no ten to me or friend to me
Bitch, don't pretend to be, I'm strictly for the thugs

I'm part of the streets and straight out the hood
That moments ghetto
(Ghetto)
Got me deep in gats for you wheezly cats

I'm straight out the county of Dade
Played on fire nigga M I A
Never gone south of the border
Americas most wanted you gonna get slaughtered

Let's go
(Let's go)
If you want it you can get it, let me know
(Let me know)
I'm 'bout to fuck a nigga up, lets go

(Let's go)
If you want it you can get it, let me know
(Let me know)
I'm 'bout to fuck a nigga up, lets go
(Let's go)

Let's go
(Let's go)
If you want it you can get it, let me know
(Let me know)
I'm 'bout to fuck a nigga up, lets go

(Let's go)
If you want it you can get it, let me know
(Let me know)
I'm 'bout to fuck a nigga up, lets go
(Let's go)
