Hell no, I don't wanna holla
At no motherfuckin' Trick
He all over there smelling like
Boonk and Hennessey and shit, hell no

I'm saying though, what, you got a playa back
There just trying to say what's up

Hell no, I don't wanna holla at him that's alright
Hold up, bitch, hold up, bitch
Hold up, hoe, check it out

Hoe, you don't know nann nigga
That'll represent like me
Who'll say some shit like me
One who'll lay the dick like me

Bitch, you don't know nann nigga
Who do the shit that I do
Run through yo whole lil' crew
Pay for it if I got to

Hoe, you don't know nann nigga
That'll run off in yo house
Put the gun off in yo mouth
Blow yo motherfucking brains out

Bitch, you don't know nann nigga
Who'll fall off in the club
Free drinks for the show some love
Take the bar home for the thugs

Bitch, you don't know nann nigga
Who know mo' niggas than me
Who do mo' killings than me
And weigh mo' dope dealings than me

Bitch you don't know nann nigga
Bitch you don't know nann nigga
You don't know nann nigga
That dress fresher than me
And you don't know nann nigga

That wear mo' Polo shit than me

Bitch, you don't know nann nigga
Who do mo' freaky stuff
Eat the coochie wit the legs up
Then I blow it all in yo butt

And I don't know nann hoe
Who liked the dick like you
Who'll bite the dick like you
On a dikey bitch like you

And I don't like a bitch like you
I'll fight a bitch like you
Ol' trifling bitch like you
Ain't no telling what you might do

Bitch, you don't know nann nigga
Hoe, you don't know nann nigga

Hold up, who the fuck this nigga think he is?
I ain't ashamed of nothing I do
Hold up, check this shit out

You don't know nann hoe
Don' been the places I been
Who can spend the grands that I spend?
Fuck bout 5 or 6 best friends

And you don't know nann hoe
That's off the chain like me
That'll floss the thang like me
On a awful thang like me

You don't know nann hoe
That sell more ass than me
You know nann hoe
That'll make you cum like me

Nigga, you don't know nann hoe
That don' tried all types of shit
Who quick to deep throat the dick
And let another bitch straight lick the clit

Now, you don't know nann hoe
That'll keep it wet like me
Make it come back to back like me
Lick a nigga nut sack like me

Now, you don't know nann hoe
That'll ride the dick on the dime

Who love to fuck all the time
One who's pussy fatter than mine
Bitch, you don't know nann hoe

Hold up, baby, hold up
What you said you'll do, bitch?
Nigga, you heard what I motherfucking said
Well, baby, if you gon' be doin' all this
You need to be on my team
'Cuz I'm the realest nigga you motherfucking now

Well, if you want me you know how to find me
Tater head got the number
Tater boy bet they help Tater boy

Bitch, you know nann nigga
That keep it knocked like me
That keep it hot like me
One who'll chop the chops like me

Bitch, you know nann nigga
Wit connections wit the mob
Money millions for stars
And the Lexus flexin' hard

Bitch, you know nann nigga
Who representin' they grill
In Miami is where I live
And this is how I pay my bills

I love livin' here
It be straight thuggin', livin' here
And all my thug niggas here
We be ballin' up in here

Bitch, you know nann nigga
Bitch, you know nann nigga
No, no, bitch, you know nann nigga
Oh, you know nann nigga

Bitch, you know nann nigga
Bitch, you know nann nigga
No, no, bitch, you know nann nigga
