(performed by Lil Boosie)

Now I promise you 2 cum home at night  
Yea right,  
I promise you 2 always treat you right  
yea right  
I promise 2 be down 4 you n never cheat  
but when im wit a dime piece  
I can see dem tears flying down yo cheek,  
y you thug me like dat cuz im thug'd  
I pull away 4rm girls when we start falling in love.  
Was gon take you on a cruise but I change my mind.  
I always promise you the movies but I have no time.  
I'm wit my niggaz half the day n she aint feeling dat.  
Y she at home cooking n cleaning im getting stacks.  
She love a nigga but I be damn if she trusts a nigga.  
But the sex still a 10 when we fucking nigga.  
N she like

Y u thug me like dat?  
I swear 2 GOD I don't mean 2,  
sometimes I feel like I don't need you. [x4]

Now I promise not leave ya pussy wet  
yea rite,  
I promise you 2 show you sum respect  
yea rite,  
I guess I live the life of a super star driving all these  
fancy cars,  
and real talk man I can have any broad.  
Plus I hate 2 see you crying,  
I hate 2 tell you lies,  
that's y deep inside  
she be like y you thug me like dat.  
It's just in me,  
been doing girls wrong since I stepped off in McKinley.  
Hate 2 put my hands on ya cuz I feel bad.  
I wear a rubber when im fucking but you don't feel dat.  
They got a lot of women wrong,  
got a lot of women strong.  
But when you got a super star you gotta hold on.

Super star go try 2 fuck all these hoes  
yea rite,  
but when they zip down them bauds everything alright.  
My nigga bleek he like  
GO HOME 2 YO OL' LADY,  
SHE CATCH YO ASS SLIPPING SHE GO BUST DAT 380.

Y u thug me like dat?  
I swear 2 GOD I don't mean 2,  
sometimes I feel like I don't need you. [x4]

Look this how I play it, if I ever fuck with ya,  
imma fuck another girl see if you go fuck another  
nigga.  
Y you thugging like dat.  
Cuz im Boosie Badazz,  
if she don't suck it I act mad,  
I can't do nothing but laugh.  
I make these girls cook 4 me n don't even cum by,  
hope this dirty shit don't cum back on Tarlasia and I.  
I make the girl pussy wet when I look in her eyes  
so Boosie never surprised when he get in them thighs.  
I got my heart broke at 14, that was way way back.  
So all the girls after that, it was straight pay back.  
I like 2 lay back n take trips n dress you up,  
but when you start mouthing off you messing up.  
So shut it up.  
Would you forgive a real nigga answer that?  
Would you still be with him answer that.  
If he had another baby put you in a situation  
would you forgive him or leave him n hate him.

Y u thug me like dat?  
I swear 2 GOD I don't mean 2,  
sometimes I feel like I don't need you. [x4]

Boosie y ya thug me  
Boosie y ya thug me  
Boosie y ya thug me like that [x2]

Boosie y ya thug me  
I don't mean to [x2]

Boosie y ya thug me  
Boosie y ya thug me  
Boosie y ya thug me like that [x2]
