Who is Trina? Im sure thats not the only question you want

answered. Do you really wanna know what hard work is? Ask me

and i'll tell you. From nothing to something. If there is a will there

is a way. Traveling city to city, state to state. Non stop shows,

interviews all over the globe. I am Miami. Magazine covers, gossips

number 1 topic. the life of the rich and famous. fans who can

relate, from the begining to now. trashy mouth to sophicated

ladies. Not just a rapper, the business woman still standing. When

i've seen others come and go, I rise. Grateful for my struggles and

the road that I took. It only made me stronger, it prepared me for

this. For the here and now. Focused and eager to learn. Fast to

teach, this is not a game. this is my life. fairy tales dont exist over

here. im a realist. and strong is just another statement to describe

me. Now i ask you the same question again. Who is Trina? (laughs)

she is amazing. Im amazing. so amazing. im amazing. x4.

First round pick, yup, the lucky lotto numbers 777. The haters

could never take me under promise if i fall, wont be down to long.
