it's a dirty money, it's a dirty money,
when you're in the club, get your ass on the floor
when you're in the club, get your ass on the floor
when you're in the club, get your ass on the floor
when, when you're in the club, get your ass on the floor
them haters can't tell you nothing
them haters can't tell me nothing
them haters can't tell you nothing

you're the love of my life
but you hurt my heart twice
now i'm drunker than a mutha f-cker
trying to find my way back to your heart you muthf-cker
so i know, there's a price, when your wrong
when your drunker than a muth f-cker
trying to find your way back to love you
you muth f-cker

baby you know, just what to do
i know you know the truth
and we will never lose
there's no me without no you
i give my soul to you

chorus:
when you're in the club, get your ass on the floor
when you're in the club, get your ass on the floor
when you're in the club, get your ass on the floor
when, when you're in the club, get your ass on the floor
them haters can't tell you nothing
them haters can't tell me nothing
them haters can't tell you nothing

twenty four inches sitting on pay,
do a ... no you can't, dirty money on the flow industry

every time to a .. and a nigga got ..
don't' know .. if you don't know .. if you don'y know
date,
i'm talking to ... away ... see .. i got for ..

what the haters gonna tele me, no- nothing
she can .. cut cut in, do not approach me keep truck in
at least give me four feet or we cut in,
...over us, my soldiers up , b*tches on line let's cry
and i still ..for the 305.

baby you know, just what to do
i know you know the truth
and we will never lose
there's no me without no you
i give my soul to you.

chorus:

when you're in the club, get your ass on the floor
when you're in the club, get your ass on the floor
when you're in the club, get your ass on the floor
when, when you're in the club, get your ass on the floor
them haters can't tell you nothing
them haters can't tell me nothing
them haters can't tell you nothing.

...get ya mutha f*cker, smoke listening to shot day
i love my pain and .. why can't you see she's my way,
you want that lonely highway,
my cost ..on the drive way
feels like i'm dying slowly, feels like ..what can i say
i made you face your fears, i think we could have made
it
thought i told you i love you, maybe we should have
waited,
how could you ever doubt me when i stood by you
properly
i would have gave my last breath, now you can breathe
without me.

. ..in the club, all you think is about you baby
. ..in the club, all you think is about you baby
baby i want you to need me, i need you to want me,
baby i want you to love me forever.
baby i want you to need me, i need you to want me,
baby i want you to love me forever.
