[Verse 1]

Yea its clear

In every magazine published im gracin tha pagez,
Media versus celebrities, its outrageous
Put on a few septix u can rock a few stagez
Im settin new standardz 4 women, rappaz embracin
Ma chronological makeup a switch a bitch pace up
A trend setta, go getta, money maka, bread winna
Dropped in 98
Had da world sayin nan nigga

[Chorus]

I been around da world
N er body hat'n
If dey talkn im da topic of da conversation
Now clear it out, clear it out
I had it up 2 here
Clear it out, clear it out
I had it up to here
I had a lot of friendz
Now got a lot of foez
When u gettin money, diz iz juz da way it goez
Now clear it out, clear it out
