Ladiis...

so deep and you want to tell 'em so bad but you just
cant find the words?

i gotta thing for you babii you know.Don't wanna take it
slow
I wanna get to know ya
Don't wanna play no games, listen to what I'm sayin
I gotta thang for you
(For you)

I gotta thang for you baby you know.
Don't wanna take it slow
I wanna get to know ya.
Don't wanna play no games, listen to what I'm sayin
I gotta thang for you,
Baby you know

I gotta thang for you and it hurts me
Cause I'm holdin back I'm so thirsty
When I open wide, you betta work inside
But promise that you won't hurt me with
(Here we go, here we go again)
Cause I ain't got time for lies
This time ain't lookin (for a friend)

I need a man that's gon wine & dine me
Everytime you look you find me
Bellhoppin he buyin me
And plus he all mine see
He Brad Pitt, I'm Jolie
When we together we always sing
(K-I-S-S-I-N-G)
I gotta thang for you so how you feel bout me?
Ahh...

I gotta thang for you baby you know
Don't wanna take it slow
I wanna get to know ya
Don't wanna play no games, listen to what I'm sayin

I gotta thang for you

I gotta thang for you baby you know
Don't wanna take it slow
I wanna get to know ya
Don't wanna play no games, listen to what I'm sayin
I gotta thang for you,
Baby you know

Damn you got me wide open

And I know you sayin that I'm jokin
Cause tha boys in tha past, they just couldn't last
But for some reason I think u been chosen
(Heaven sent, don't wanna walk away)
Just hold me tightly up in you arms
And tell me (everyday)

That you ain't neva gon leave me heartbroke
Promise to give a good long stroke
Boy this forreal and this ain't no joke
Thought I was dreamin but I kno I'm woke
What you done did that got me so gone
Feels so right that this can't be wrong
Hangin up and right back callin yo phone
Cause I go crazy when I hear ya voice tone...
Ahh...

And you know...
I can't wait to see your face again
(Again boy)
And you know...
I'm hopin we can work this thing out
Everytime that I'm alone
I'm thinkin bout us and where we could be
That's how I kno I gotta a thang
For you baby, yeah you know

I gotta thang for you baby you know
Don't wanna take it slow
I wanna get to know ya (Wanna get to kno you)
Don't wanna play no games, listen to what I'm sayin
(boy listen to what I'm sayin)
I gotta thang for you (Hey)

I gotta thang for you baby you know
Don't wanna take it slow (yeah)
I wanna get to know ya
Don't wanna play no games, listen to what I'm sayin
I gotta thang for you,
Baby you know

(The way you love me)
The way you love me, the way you love me
The way you touch me, the way you touch me
The way you love me, the way you love me
The way you touch me, the way you touch me
