i got the slippuh, i got that grippy, i got that sticky, icky,  
flip me  
over on the bed, no hicky, freaky  
make me, tongue go to work all trippy  
put your dice stick with my hands spin around  
whips and chains black leather night gown  
open my legs up let you see what that's about  
pussy on fire drop, put it out  
i hope you got a hoes that done spray too fast  
that will just make me laugh, what they do there at  
i need a real nigger i can't help me  
i'm on ice and i'm trying to get melted cause

i got a bad ass, i got pretty lips  
i got a quite little waist and my hip's thick  
when you hit it from the back, make it cum quick  
if you a real nigger only got 1 tip  
better get it right boy, all night boy  
better hit it right boy, all night boy  
better hit it right boy, all night boy  
better hit it right boy, all night boy

my ass soft call it bubble gum  
you don't act right i'ma give you brother some trouble  
see i am a stallion bitch no muzzle  
Dolphin Medallion for niggas that hustle  
trying to figure me out its like a jigsaw puzzle  
Aight then be out fuck me, oh you cuss too?  
i'ma shoot a birdie at your ass, yea what's up boo?

i'm thinking about everything nigger, but you  
Really don't understand the next hurt i pull up too  
center of attention that's how i just do  
the baddest bitch need tough dude

i got a bad ass, i got pretty lips  
i got a quite little waist and my hip's thick  
and when you hit it from the back make it cum quick  
if you a real nigger only got 1 tip  
better get it right boy, all night boy  
better hit it right boy, all night boy

better hit it right boy, all night boy  
better hit it right boy, all night boy

i got a photogenic face with a smile waist  
fat kitty you can taste ridin all day  
Diva Mac lip gloss, Prada, give me nice things  
and i give you birthday cake and salt ice cream

i got a bad ass, i got pretty lips  
i got a quite little waist and my hips thick  
and when you hit it from the back make it cum quick  
if you a real nigger only got 1 tip  
better get it right boy, all night boy  
better hit it right boy, all night boy  
better hit it right boy, all night boy  
better hit it right boy, all night boy.
