[Intro:]

One of the best looking mother fuckers you have ever
seen

Hold my, hold my drink bitch [x4]

I'm one of the baddest mother fuckers of all time

One of the best looking mother fuckers you have ever
seen

Hold my, hold my drink bitch [x4]

[Verse 1:]

When I was dancin in tha club, what no bitches fuckin
with me

Now I rock the mike, I'm tha baddest in every city
These ho's ain't shiftin gears, livin how I live, doin
numbers like tha goddest I could cook with tha meals
Say fuck this record deal, I'm a graduating scholar, got
these corporate business men, on my line wanna holla
Pay me by tha hour, dey wanna fuck nothin, they just
want me on their arm, you know how nigga's go to
stuntin

Real trophy bitch from Miami got chips, make a nigga
dick hard n all I do is lick my lips

Not to mention these lips and my round juicy ass, if
beauty was a test alot of ho's wouldn't pass

They dog'd out trash, I'm steppin on the gas, got tha
peddle to tha meddle, finna take a full blast

It's such a fuckin tragic, still tha baddest is a classic,
got this shit map'd out, you can address me hot acid.

[Chorus:]

I'm one of the baddest mother fuckers of all time

(Sit down)

One of the best looking mother fuckers you have ever
seen

(Shut up)

Hold my, hold my drink bitch [x4]

(Now watch me) [x2]

I'm one of the baddest mother fuckers of all time

(Sit down)

Show's around the globe, I'm the only black Madonna,
over night celebrity that experience every genre
Check my track record different shows every week,

Mirror jet lands on I-95, transfer to the phantom and

Snap a couple pictures for them haters cause they
watchin, testin any nelly, what tha baddest bitch is
rockin
Oh it watn't nuttin, I just spent twenty grand on this
Alexander Mcqueen bag that I'm carryin
Got some bitches stay sharin, I da learn to stop caring,
cause they'll never ever see a bad bitch like me again
Before there was many, now I only see one, and that
bad bitch is me and after me they'll be none. (none)

(Sit down)

[Verse 3:]

I'm a ma fuckin legend, no matter how you see it, it's
been written long time ago, here bitch read it
Get to past tha proof like Master P with no limit, truth
beyond your noise, most of ya'll just gimmicks
Artificial flavors can't start your own trans, (bitch) is
where is started and where it's all gone end
Standin firm and battle, I won't brake em, won't win,
I've been crossed too many times, my attitude fuck a
friend

I'm runnin on tha clouds, what tha fuck I'm lookin down
for, this ain't multiple choice I am tha fuckin answer
Take it how you wanna, I ain't worried about your bitch,
let me brake it down old school, too legit to quit (haha)
I'm the shit, my flow so stay, got money in tha bank, if
she want it we could pay (bitch)
Hold this drink, you look better on tha sideline, coming
after me, game over cause it's all mine

[Chorus:]

I'm one of the baddest mother fuckers of all time
