If you win girlfriend then wave your hands
Slap a nigga with a hundred just to show your grand
Get them niggas fuck all you can
I'm gettin' paid you're a fucker man

And if you win girlfriend then wave your hands
Slap a nigga with a hundred just to show your grand
Get them niggas fuck all you can
I'm gettin' paid you're a fucker man

I'm a bad ass bitch nigga that's why yo' doe gone
And all yo' weed in the ozone
I'm doing this one for my no thugs who on no drugs
Other niggas yellin' out so what, huh

'Cause you could never be my only one
'Cause I want too much shit, want too much done
Recognize who I be when you see me in the club
Like a pooch in a coupe with the roof dropped down

Where my real bitches at? Right here
where them niggas riches at? Right here
We treatin' niggas like rental cars doggin' em out
With no doe theres nothing we can talk about

If you win girlfriend then wave your hands
Slap a nigga with a hundred just to show your grand
Get them niggas fuck all you can
I'm gettin' paid you're a fucker man

And if you win girlfriend then wave your hands
Slap a nigga with a hundred just to show your grand
Get them niggas fuck all you can
I'm gettin' paid you're a fucker man

And I can tell by your eyes, love is what you feel
You wanna talk nigga, son lets discuss my bills
As you can see I'm an expensive bitch
Who has good taste and love expensive shit

You wanna conversate well nigga I charge a fee
Each additional minute, nigga I charge a fee

Where' s my money yeah you short well I got to go
Only ballers are tall enough to reach my goal

I know you love me but I love your huns
'Cause you could never be my only one
Don't trust me, broke nigga don't lust me
'Cause gettin' paid is a must be and hell naw you can't
fuck me

If you win girlfriend then wave your hands
Slap a nigga with a hundred just to show your grand
Get them niggas fuck all you can
I'm gettin' paid you're a fucker man

And if you win girlfriend then wave your hands
Slap a nigga with a hundred just to show your grand
Get them niggas fuck all you can
I'm gettin' paid you're a fucker man

2 karats in the ear 4 karats in the ring
Hoes get sick when they see the bling bling
Stay fuckin' with a thug [Incomprehensible]
Cruise in a drop you off

Want me to lock the door I'm not whore
Fuck nigga get your mind right or I'm out the door
Gotta go, gotta go six double O
I'm a big trouble hoe who likes to smuggle doe

From my head to my toe fly shit fo' sho'
Want my wrist to glow and my tips to flow
Don't puff blunts I like my B's up front
You can smoke though blow weed on my kunt

'Cause I'm a bad bitch first round drifted
Shaped like a coka-cola classic get my ass licked
Take a nigga for his cash quick
Even take plastic, uh

If you win girlfriend then wave your hands
Slap a nigga with a hundred just to show your grand
Get them niggas fuck all you can
I'm gettin' paid you're a fucker man

And if you win girlfriend then wave your hands
Slap a nigga with a hundred just to show your grand
Get them niggas fuck all you can
I'm gettin' paid you're a fucker man

Yeah, I know y'all niggas can say fuck them hoes
But not on this one I'm doing this one for my bitches

All bitches of all bitches and fuck them flaw bitches
Okay, play with it Ms Trina new Millennium year 2000
