Yep, yep, yep, I'm back, I'm back  
Slip-N-Slide Records, Slip-N-Slide Records  
Yeah, yeah, yeah, yeah, yeah

I'm single again back on the prowl  
I thought it was perfect, I don't know how  
I'm single again, back on the prowl  
I thought it was perfect, I don't know how  
I'm single again

You know how they do, how they act  
See you with another man and they want you back  
My ass still phat, they still checkin' for me

And never will you find another bitch like me  
And I don't care what your friends say  
What we had was like Jay and BeyoncÃ©  
Mmm, or was it all a dream?

Backseat in the Phatom, sippin' that lean  
We party like rock stars, we sex like porn stars  
I'll sex you a million bars

I'm single again back on the prowl  
I thought it was perfect, I don't know how  
I'm single again, back on the prowl  
I thought it was perfect, I don't know how  
I'm single again

Stop callin' me apologizin'  
Don't even start it  
Hope you find what you lookin' for  
Back on the market

Let's agree to disagree  
Don't explain shit to me  
I got my own money, there's nobody I need  
I need, I need my own space

I'm single again, who's who I'm minglin wit  
Ball players, center seats to the game  
Ring side, still doin' my thing

Changed my number, switched my cars up  
6 months bet you maxed your cards up  
It all started so promisin', got my own diamonds  
So I didn't break the promise ring

I'm single again back on the prowl  
I thought it was perfect, I don't know how  
I'm single again, back on the prowl  
I thought it was perfect, I don't know how  
I'm single again

Hold up, wait a goddamn minute  
It ain't over 'til I say we finish  
'Til I get my half  
Then I sit back relax and just laugh

And the times we shared  
Like flyin' over Beatmore High in the G-4  
Smokin' on Cali bud  
That's how real G show a bitch Cali love

Sex in the cockpit  
No love, I was just another object  
You fell in love wit my ass  
King magazine, you fell in love wit my ad

20 G's in the Prada bag  
And I'm 'bout ball out  
Had to get my mind right  
I'm back in the limelight, fellas!

I'm single again back on the prowl  
I thought it was perfect, I don't know how  
I'm single again, back on the prowl  
I thought it was perfect, I don't know how  
I'm single again

Diamond princess  
Yeah, I'm still the baddest bitch
