Hey yo, Ms. Trina rock the party  
Hey yo, E V E rock the party  
Hey yo, get on up, shake your body  
Ain't no quittin', when the ladies come to spit  
Hey yo, Ms. Trina rock the party  
Hey yo, E V E rock the party  
Hey yo, get on up shake your body  
And ain't no stoppin' when the ladies come to rock it

I steal the baddest drink, then the best fabrics  
Leathers and the Cz's and the S classes  
Ghetto angel, wrists glist like the rainbow  
Yellows, reds and blues watch the ice dangle  
Colorful thin's, full beams, no illusions  
V V S clean gleam, no inclusions  
Glamorous with the gangsta twist  
Gucci on the hip, butta Lucci on the wrists  
And we off glass, we glistenin', you listenin'  
I got that new shit like William holla  
You thinkin' I'm a dime, but I'm a silver dollar  
Ice 'round my collar, the Diamond Princess  
It's a lot of big money in my sentence  
Marble walls, Formica floors  
Shoes by Jimmy Chu's and Michael Core's  
Fuck Thelma and Louise, it's Trina and Eve

Hey yo, Ms. Trina rock the party  
Hey yo, E V E rock the party  
Hey yo, get on up, shake your body  
Ain't no quittin', when the ladies come to spit  
Hey yo, Ms. Trina rock the party  
Hey yo, E V E rock the party  
Hey yo, get on up shake your body  
And ain't no stoppin' when the ladies come to rock it

I'm not a regular bitch, I don't do regular shit, dawg  
You see me on TV  
You knew that I spit, know these niggas I'm with  
Game ain't change me that much, discovered incline  
Discovered that it tight in my butt  
But really, other than that, hate these frivolous chats  
Do I, cook or clean, daddy?

I hire for that, need a housewife, that ain't Eve  
My business come first, I think you'll understand  
After you listen to this one verse  
Always been a bitch about mine and fuck with winners  
Me and Trin top of the line, nigga listen  
Keep these chicks prayin' we stop, it never happen  
Sittin' back, wishin' that they never started rappin'  
Too late, hurtin' 'em hard, what you wanna do?  
Stop what, fuck out the way, watch how we come  
through  
I'm livin' too good, fuck you suckers  
I'm in the club, at the bar, sippin' Blue motherfuckers

Hey yo, Ms. Trina rock the party  
Hey yo, E V E rock the party  
Hey yo, get on up, shake your body  
Ain't no quittin', when the ladies come to spit  
Hey yo, Ms. Trina rock the party  
Hey yo, E V E rock the party  
Hey yo, get on up shake your body  
And ain't no stoppin' when the ladies come to rock it

You see can't too many hoes, come after me  
I have to be in the Jacob or the masterpiece  
It take cash to speak, I never had to lease  
Between me and the girls ,we need at least half the  
fleet  
My man money gotta be, longer than his dick  
But look long as you want, who stronger than this  
clique?  
From one minute, two minutes, I'm in it  
The G Five, me and Eve so come with it

Hey yo, Ms. Trina rock the party  
Hey yo, E V E rock the party  
Hey yo, get on up, shake your body  
Ain't no quittin', when the ladies come to spit  
Hey yo, Ms. Trina rock the party  
Hey yo, E V E rock the party  
Hey yo, get on up shake your body  
And ain't no stoppin' when the ladies come to rock it
