[Trina:]

You know big money I get dat

Got my feet up when I kick back

Get major break for my chit chat

Got Miss Keri baby on this track

What colours in this season

Think I will tear up Niemans

Miami in the mornin'

Be in San Tropez this evenin'

I know you like my style

My million dollar smile

Hit any party red carpet

Man I shut that down

Don't hate just go get yours

No excuses no more

I just dropped another hit

Coz I'm that million dollar chick

[Keri:]

Baby if I wanted a guy to stop gettin' some more (Yeah yeah)

I'm a Million Dollar Girl for sure (Uh-huh)

I'm a Million Dollar Girl (girl),

Baby I'm a Million (Vermilion),

Baby If I wanted a guy to stop gettin' some more

Coz I'm a Million Dollar Girl for sure (Uh-huh)

I'm a Million dollar Girl

Baby I'm a million (Vermilion)

[Diddy:]

I'm off in another world

So far out this atmosphere

I could throw a hundred million

Out the cockpit of my Lear

That's dirty money (Uh uh)

You starving hungry (That's right..)

I got a million in singles

Take it all or more, shake it for me

No rainin'

My millions hydro-planin'

And I'm done with San Tropez-in'

In my Lambo' Ice Capadin'

I'm richer than all the riches in the world

You ain't no doobie and I ain't tryin' a' buy you

I'm tryn' a' decide you 'bout that booty

[Keri:]

Baby if you wanted a guy to stop gettin' some more  
(Yeah yeah)

I'm a Million Dollar Girl for sure (Uh-huh)

I'm a Million Dollar Girl (girl),

Baby I'm a Million, (vermilion)

Baby If I wanted a guy to stop gettin' some more

Coz I'm a Million Dollar Girl for sure (Uh-huh)

I'm a Million dollar Girl, Baby I'm a million (Vermilion)

[Trina:]

He shower me in diamonds

I vacation for months

Penthouse at the Trump

In Las Vegas I'm Lady Luck

Million dollar smell

I know I got chu feelin'

These shades is YSL

These heels ain't out till next season

I'm in that pink Ferrari

I got a thing for Porsches  
I like my men like my cars  
Strong and built like horses  
Glass of New vogue  
I'm far from aver-age  
Rich and lavish  
And that's why I am the baddest bitch
