Hey.....  
yeah, yeah, yeah  
no,no,no,no,no,no

It's been too long and i'm lost without you  
what am gonna do  
said I been needing you; wanting you  
wondering if your the same and who's been with you  
is your heart still mine i wanna cry sometime

Off to college, yes you went away  
straight from high school you up and left me  
we where close friends also lovers  
did everything for one another  
now your gone and im lost without you here now  
but i know i got to live and make it somehow  
(Come back to me can you feel me calling hear me  
calling for you)

Cause it's been too long and i'm lost without you  
what am i gonna do said i've been  
needing you wanting you  
wondering if your the same and who's been with you  
is your heart still mine i wanna cry sometimes

Now im sitting here  
thinking bout you and the days we used to share  
it's driving me crazy i dont know what to do  
i'm just wondering if you still care  
and i dont wanna let you know  
that it's killing me  
i know you got another life you gotta concentrate baby  
(come back to me can you feel me calling here me  
calling for you)

Cause it's been too long and i'm lost without you  
what am i gonna do said i've been needing you  
wanting you  
wondering if your the same and who's been with you is  
your heart  
still mine i wanna cry sometimes

I miss you.....

Ayi yi yi yi yi  
Ayi yi yi yi yi  
Ayi yi yi yi yi  
Ayi yi yi yi yi

I can't think no more since you went away  
i dont really feel like talking  
no one hear to love me  
no one to understand me  
i can't do a thing with out you

It's been too long.....  
and i'm lost without you  
what am i gonn
