[Trina]

Get involved with a nigga

Slob on a nigga

Take all his dough and then I dodge a nigga

Cuz I'm a nasty bitch, I leave a nigga dead broke

Snatch ya bread and cop a brand new coat

I'm da jazzy type

And I'll only let you eat it if you ask me right

My coochie mad tight

Well more juice than a ?? when you peel the skin

But yo ain't no fun if your tongue ain't in

WHOO now this is where the madness start

So nigga fuck me with your tongue til ya lick my heart

I gotta body like a coke bottle watch me walk

So nigga work your mouth and don't talk

OK

[Chorus: (Money Mark & Trina)]

Whoa like gay

Must say

I dont sweat

No tired ass nigga I sign my own check

I'm the Diamond Princess duthces of ??

Pussy stay tighter and wetter that all ya'lls

You nasty bitch you nasty (Uh huh)

You nasty bitch you nasty (UUUH huh)

You nasty bitch you nasty (What)

ULULULUL Make me cum til Im numb

Oh Yes! Rub my chest

Make me wet
Doggy style and do it just like that
And lick the sweat it taste just so sweet
When I pop my cock and make ya drop to da beat like

Make a nigga sell his dick just to buy me shit
And just to keep me lookin raw Imma find his shit
And if you wit me girlfriends the shake ya hine to dis
