[Trina: spoken]

Hi this is trina

And I'm standing 5'2 125 pounds 34, 26, 36

Beautiful lite grey eyes, long black curly hair that

Hangs down to the middle of my back and right now

I'm home alone and

I'm looking to try something new so if your listening

Why don't you leave me a message

Ha ha ha ha

[Chorus: Qwote]

Take your hands and close your eyes and picture me

Touching your thighs do you feel your body next to me

I'm in your mind but physically it feels so real when

we're on the phone

The way you talk and the moan I put your body to the

test it's not

A fantasy but it's phone sex

[Trina:]

What's your description I told you mine I was feeling
real horny

Called the party line dude sounded so good I ain't
waste

No time I'm a take my clothes off and just go for mine

The way that he was talking and describing himself I
picture

Reggie bush and I ain't seeing nothing else my eyes
closed tight

On the living room couch one hand up my (uummm)
putting fingers

In my mouth cheating on my man I'm getting my freak
on long as it ain't real

I ain't doing nothing wrong just a dirty fantasy on the
Football field me layed in the grass wanna love how it
feel

Pulling on my hair biting on my lips throwing it back
thrusting my hips

Pouring champagne down and he taking sweet sips got
me bout to climax he took me on a trip aahhh

[Chorus:]

Take your hands and close your eyes and picture me
Touching your thighs do you feel your body next to me
I'm in your mind but physically it feels so real when
we're on the phone
The way you talk and the way you moan I put your body
to the test it's not
A fantasy but it's phone sex

[Trina:]

The next day I called the party line again I was looking
for that voice
That's when I bumped in a thug that sounded like trick
to me
You should have heard that nasty fantasy
He made me see us in a school house
I was the last student left and was bout to walk out
He said bend over and show him a shot in my private
school skirt
So aroused I got hard as a mistle I blew on his whistle
playing back and forth
For this nigga I can't dismiss you he asked can I kiss
then I got wet
This phone bone thing is getting better than sex don't
need protection everythings
Safe I even let him spank me I came on his (aahhh) I
know he was so amazed
To hear me come on the phone we wasn't playing no
games
We was getting it on aahhh

[Qwote:]

Do you feel me baby sexing your body touching you
softly
Making you want me go head close your eyes
Put your hands on your thighs let's fantasize
From the other end of the line do you feel me baby
sexing your body
Touching you softly making you want me go head close
your eyes
Put your hands on your thighs let's fantasize
From the other end of the line

Take your hands and close your eyes and picture me
Touching your thighs do you feel your body next to me
I'm in your mind but physically it feels so real when
we're on the phone
The way you talk and the moan I put your body to the
test it's not
A fantasy but it's phone sex
