don't care, left no evidence like i wasn't there
now they trying to smell from the perfume
if it was not me then whom? i'm talkin about kitty cane
not tonight
... in tight jeans, with a word but hey
thought it was time for a change
i'm guilty what can i say, count it like ...
what's good? hating on me then bitch was ...
i said, i'm a private love i get it but time is precious ain't
with it
i'm about my dough, hit my cash, i'm whatever they
staring at
they see me at
long heel, red bottoms, long heel, red bottom, long
heel, red bottom
stay up, stay up, stay up, stay up, stay up in your
long heel, red bottoms, long heel, red bottom, long
heel, red bottom
stay up, stay up, stay up, stay up, stay up in your

not purple or turquoise i been they know what to look
for
these niggers gonna love what i'm dressed in
dressed up and looking so sexy
six inches, rear bottoms, long heels, i got them
when i say steppin they start to jump right
then i say yes take off with the hook
i'm a ... make movie, ... put it there in motion
straight down harlem, ... ocean, try and ... when i jump
out the ride
chain reaction everybody wanna ...

and i'm on and i ain't gonna lie, and ... cause i got that
fly, i'm moving in

long heel, red bottoms, long heel, red bottom, long
heel, red bottom
stay up, stay up, stay up, stay up, stay up in your
long heel, red bottoms, long heel, red bottom, long
heel, red bottom
stay up, stay up, stay up, stay up, stay up in your

feels like i'm walking on clouds, so high so fly in here
get it yeah, get it yeah, step step just like that bear
and rear bottoms the heels is long as hot,
touching they suckers they feel the song
i'm stack, i'm bad i'm bad, i'm thick
how you know i'm the sheep cause they all behind me
me and my ...i move they move that's me and my ...
shinning, speed it up what they do
i'm ... fuck they crew
that's different shot to the woman that's focus
don't listen if they don't know shit
and i know if they're looking blues, always on
something new
they see me

long heel, red bottoms, long heel, red bottom, long
heel, red bottom
stay up, stay up, stay up, stay up, stay up in your
long heel, red bottoms, long heel, red bottom, long
heel, red bottom
stay up, stay up, stay up, stay up, stay up in your.
