Naw I ain't shoot him
Cause he ain't worth that
The purse he bought yesterday
I took that shit back
I got them 12 stacks
I bleached all his clothes
So he knows what's gonna happen when he mess with
other hoes
I burned all his shoes
I swiped all his cards
Ordered gucci off the internet and sold it in the yard
Sucker went dead broke in just three hours
After the transaction HIT UP TRUMP TOWERS
I called his momma up she said she feel my pain
She told me if she was me she would of dONE the
same thing
Yea I kept the ring juss switched the finger
ON THE middle one cause it's f u n****
Was a diamond in the ruff
I ain't never played tuff
Til lyou got outta line doin all that dumb stuff
This n**** had it good I could sworn dis was it
Come to find out that n**** wasn't shit

Shawty say the n**** that she with ain't shit
Shawty shawty say the n**** that she with ain't shit

Ladies if ya know a n**** cheatin and he late night
creepin
Telephone stay ringin with the boys every weekend
HE KEEPS TEXTIN lookIN and peekin making sure you
ain't seein
Then you know that n**** ain't shit
If he don't answer his phone and his car ain't parked at
home
And you know he love to bone cause he hate to be
alone
And you catch him with a shown and you say that he is
grown
Then you know that n**** ain't shit
If his momma lie for him and his brother do to

And his sister say girl hes gonna do what he do
And you know hes tellin lies tryna make you think they
true
Then you know that n**** ain't shit
If he say that he was workin and you juss came through
But his boss say he called in with the flu
When you check his voicemail some chicks sayin where
are you
You know that n**** ain't shit

Shawty say the n**** that she with ain't shit
Shawty shawty say the n**** that she with ain't shit
