Da bitch is back
i say da bitch is back
yeah da bitch is back
(i got da keys i'm fen to drive come on let's ride)

Back seat Phantom
Dark tints rolled down
didn't want to see her, look at me now

say she couldn't rap but i'm still here standing
da baddest bitch is what the f**k they yellin

she's not real
that one's fake
i step in da booth kill a track one take
Trina wont break I'm so heavy weight
Look at the map, i'm from the gun shape state

Don't na bitch want it
Bitch tighten up
Only bitch wit a deal
Slip n slide what
Swam across the Atlantic, back stroked back
Just mark my words Imma take that back

Gon burn dese charts
Stack every lock
Gon grace every cover
dis bitch here hot
To give you all a lesson
let me put it on the dresser
where i put my damn shoes i will not lose

yaw gon learn to respect the queen, yesterday it was
all a dream (2x)
i'm still da baddest bitch ah (2x)
ain't another, im the baddest bitch
damn right im the baddest bitch

It was all a dream
Think it should be gone like that
Wake up this ain't a dream

Your worse nightmare'z back
B-A-D. bitch bad to the bone
Home wrecker number 1

And queen of ring tones

Now observe the persona
F**k your feedback
Im equivalent to nuttin
You cuts lab rats
Experimentin MySpace
Fishin for a hit
ma picture price gon double when they drop this shit
Sky box panel break through all doors
Im hurricane Katrina when it rains it pours
Takin no pity trampedin ova bitches
Niggas can get it too
i aint no where near thru
Hood thatÃ,Â's how you want
Good cuz imma get it
Since I heard a motherf**ka say the sky is the limit
Yea I know you want
Yea cuz imma give it
Since I heard a mother f**ka say the sky is the limit

yaw gon learn to respect the queen yesterday it was all
a dream (2x)
