Playa, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah

Take me to a place where I gotta be sexy
Just so, I can be considered as a lady
Please, tell me why the world is so shady, baby
I wanna go to a world where I ain't gotta be a freak ho

Just, so I can be noticed by people
Please, tell me if you know
Because I wanna go, wanna go, yeah, yeah

Why is it lately?
These jealous hoes gotta hate me
Niggas, won't give me no space
They suffocate me

I try to be myself, niggas, won't let me
They'd rather sweat me
Ice, freeze and briget me
But I ain't impressed with your hot car

Nigga, I ain't got the lock jaws
I ain't fixin' to drop draw's
These niggas, chase me like a cop, cop
In and out the Char' bottle

They wanna ball with a hot star
They offer me grands for one night stands
But fuck that one night plan
I'm looking for that one right man

To save the day, wrap me in his arms
Take me away, late plight
Till the break in the day
Come on

Take me to a place where I gotta be sexy
Just so, I can be considered as a lady
Please, tell me why the world is so shady, baby
I wanna go to a world where I ain't gotta be a freak ho

Just, so I can be noticed by people
Please, tell me if you know
Because I wanna go, wanna go, yeah, yeah

Take me to a place where all my girls on top
Take me to a place where all the Benzes drop top
Take me to a place where I ain't gotta trick for grands
Take me to a place where my friend won't fuck my man

Take me to a place where it's women with no hoes
Take me to a place where the thugs get early parole
Take me to a place where we ball, buying cases
Diamond faces, united with all races

Take me to a place where ain't no chalk traces or court
cases
Or black faces on front pages
Take me to a place where the haters don't hate
Take me away, Lord, knows I can't wait, come on

Take me to a place where I gotta be sexy
Just so, I can be considered as a lady
Please, tell me why the world is so shady, baby
I wanna go to a world where I ain't gotta be a freak ho

Just, so I can be noticed by people
Please, tell me if you know
Because I wanna go, wanna go, yeah, yeah

Every day, I gotta let it go
And spend the money on the one way ticket
To a world where shit is better, yo
I be the same but a better ho

And do a version of Nann with Kirk Franklin for the
chedda, yo
They'll show my video on VH1, diva week
Me, Whitney then Aretha speak
I be on top of the world and still be a freak

Although I'm doing my thing
I see, I gotta eat 'cause where I'm from
Life ain't sweet

Take me to a place where I gotta be sexy
Just so, I can be considered as a lady
Please, tell me why the world is so shady, baby
I wanna go to a world where I ain't gotta be a freak ho

Just, so I can be noticed by people

Please, tell me if you know
Because I wanna go, wanna go, yeah, yeah

Take me, take me baby
Where I wanna go baby
I don't wanna be a freak ho
No more, more

Take me, take me baby
Where I wanna go baby
I don't wanna be a freak ho
No more, more

Take me to a place where I gotta be sexy
Just so, I can be considered as a lady
Please, tell me why the world is so shady, baby
I wanna go to a world where I ain't gotta be a freak ho

Just, so I can be noticed by people
Please, tell me if you know
Because I wanna go, wanna go, yeah, yeah
