featuring French Montana

Shawty ass fat with a attitude
Go ahead, baby, I ain't mad at you.
Watch a young nigga ball
You know I'm getting money like a clock on the wall
Talking tic tic toc toc tic tic toc toc
Tic tic toc, bitch tic toc.
Shawty ass fat with a attitude,
Go ahead, baby, I ain't mad at you.

Pull up in the club, it's a bloody murda
Rock that shit niggas never heard of
We don't kill the game, go and dig the dirt up
Coke boys were everything you learned about
30 racks, make em rain dance
I rock 60 racks on everything
Pull up in that shit, bitches yelling hello
Hide inside my city, I'll be balling like mellow
We be smoking on that killa
Might go harsh like a dealer.
Pull up in that shit, bitches ask what you call that?
All that fly shit we don't want that, Montana.

Shawty ass fat with a attitude
Go ahead, baby, I ain't mad at you.
Watch a young nigga ball
You know I'm getting money like a clock on the wall
Talking tic tic toc toc tic tic toc toc
Tic tic toc, bitch tic toc.
shawty ass fat with a attitude,
Go ahead, baby, I ain't mad at you.

Yea aha
My pussy worth a small fortune
Put him in the matrix when I slow motion
Ass so fat he need a lap dance
These other hoes belong in the trash can.
You broke niggas, you can keep you 2 cents
When I throw it back caught this nigga speaking French
He pray before he eat it, pussy heaven sent

You ain't breaking bread boy, you got me bent
You know my name (you know my name) - Miss Trina
Baddest bitch aka bread winner
I'm in the club, bad bitches round me
You can find me down in day county.

Shawty ass fat with a attitude
Go ahead, baby, I ain't mad at you.
Watch a young nigga ball
You know I'm getting money like a clock on the wall

Go ahead, baby, I ain't mad at you.
