*CHORUS

I wish I neva met u boy
And its killin me to know that I can't have u in my world
I wish I neva met u boy
If I could turn back time then I would make it so that u
were my boo
I wish I neva met u boy
Everytime Im wit my man all I do is sit and think of you
Don't wanna feel the way I feel about u

*VERSE

When we first got togetha I saw us chillin foreva
A lifetime bestfriends for worse or for betta
Then u switched up the weather, sunshine to clouds

So now its to the left, to the left and everything u own is
on the porch NIGGA STEP and tell me

*SHONIE VERSE

What would u do if u were in my shoes
would u make it work or would u wanna choose
between the one u love or between the one u with
That's just how it is

And its killin me to know that I can't have u in my world
I wish I neva met u boy
