Wish I Never Met You lyrics  
(feat. Shonie)

[Shonie]

I wish I never met you boy :  
And its killing me to know that I cant have you in my  
world.  
I wish I never met you boy :  
If I can turn back time, then I'll make it so that you were  
my boo.  
I wish I never met you boy :  
Every time I'm with my man, all I do is sit and think of  
you.  
Don't wanna feel the way I feel about you.

[Trina]

When we first got together, I saw us chillin forever.  
A lifetime, best friend for worse or for better.  
Then you switched up the weather, sunshine to clouds.  
I found a condom in ya dresser, and you know how we  
get down.  
You fucking clown now I wish I never met cha.  
I shoulda listened to mama, she said you wasnt  
nothing special.  
So now its to the left, to the left  
And everything you own is on the porch  
Nigga step and tell me :

[Shonie]

What would you do if u were in my shoes?  
Would you make it go go or would u wanna choose  
Between the one you love and between the one u with  
Cuz that's just how it is :

I wish I never met you boy :  
And its killing me to know that I cant have you in my  
world.  
I wish I never met you boy :  
If I can turn back time, then I'll make it so that you were  
my boo.  
I wish I never met you boy :  
Every time I'm with my man, all I do is sit and think of

you.

Don't wanna feel the way I feel about you.

[Trina]

Maybe im trippin, oh I just cant figure u out.

One night u say u love me, the next u flippin out.

But u can bounce, u kno I don't need a man

Im sorry I met u. I could do bad by my damn self.

I cant let u disrespect me ima queen. And all my real  
Boss chicks know what I mean.

I bet u still trickin, you aint learned ya lesson.

Now let me check ya text messages : now tell me ..

hahaaa

[Shonie]

What would you do if u were in my shoes?

Would you make it go go or would u wanna choose

Between the one you love and between the one u with

Cuz that's just how it is :

I wish I never met you boy :

And its killing me to know that I cant have you in my  
world.

I wish I never met you boy :

If I can turn back time, then I'll make it so that you were  
my boo.

I wish I never met you boy :

Every time I'm with my man, all I do is sit and think of  
you.

Don't wanna feel the way I feel about you.

Picture me and u together.

Everything about you make my whole body shiver.

Its you I want in my world, its you that I adore.

I said I picture me and u together,

Everything about you make my whole body shiver.

Its you I want in my world, its you that I adore.

What would you do if u were in my shoes?

Would you make it go go or would u wanna choose

Between the one you love and between the one u with

Cuz that's just how it is :

I wish I never met you boy :

And its killing me to know that I cant have you in my  
world.

I wish I never met you boy :

If I can turn back time, then I'll make it so that you were  
my boo.

I wish I never met you boy :

Every time I'm with my man, all I do is sit and think of  
you.  
Don't wanna feel the way I feel about you
